

Research Participants Invited!

- ✓ Do you have or have you had COVID-19?
- ✓ Do you speak and understand English?
- ✓ Are you 18 years or older?

If so, you might qualify to participate in a research study.

The goal of the study is to understand how COVID-19 affects voice, speech, and communication.

Participants will perform speaking tasks in a laboratory setting, naturalistic setting, and/or online.

Participation involves up to 6 sessions lasting 1-2 hours each and may also involve daily communication recording and tracking.
