

# Research Participants Invited!

- ✓ Do you have normal hearing?
- ✓ Do you speak and understand English?
- ✓ Are you between the ages of 18-60 years?

If so, you might qualify to participate in a research study.

The goal of the study is to evaluate a voice therapy program for individuals with voice disorders.

Participants will complete hearing tests and will listen to and rate voice recordings.

Participation is limited to two sessions, each lasting no longer than 2 hours. Parking and compensation will be provided.
